FREE Inclusion Training Near You in August!

(Two hours beginner level BFTS credit and approved for Quality Rated)

Count Me In! Including Each and Every Child

Inclusion of children with disabilities benefits everyone! Participants will learn the benefits of inclusion for teachers, families and children and the defining features of a truly inclusive environment.

AND/OR

I Can Do It! You Can Do It!

Supporting Success for All Children

After completing the Module 1 Inclusion Training, "Count Me In! Including Each and Every Child!" participants are prepared to attend this training.

In this session, participants will identify the purpose for making adaptations, describe the adaptation continuum and the process for choosing adaptations, practice making adaptations using GELDS toolboxes, and identify programs that provide therapies and other supports to children with disabilities.
